# *AEFAA 2020 ANNUAL SPRING CONFERENCE & TRADE SHOW*

**CHATEAU LAKE LOUISE  
APRIL 27-30, 2020  
LAKE LOUISE, ALBERTA**

The AEFAA executive is very proud and excited to be hosting this year's annual spring conference in the beautiful Canadian Rockies at the Chateau lake Louise. This year's theme is "Operation: Positive". We have put together a program that will help you in both your work and personal life to achieve more positive outcomes. Our keynote speaker is Darci Lang. Darci is an engaging, entertaining, and powerful speaker whose message about "Focusing on the 90%" is clear, insightful, and most of all, important. Darci's focus on the 90% message will help you and your team to find the positives at work, rise above adversity, and triumph in all they do!

Tuesday afternoon is tradeshow time! There will be, as usual, a number of vendors in attendance to help you with anything related to the proper operation, safety, and maintenance of your educational facilities.

Our session speaker on Wednesday afternoon is Julianna Cantwell. She is back by popular demand and will present us with information on how to create a better work life balance. Julianna always delivers a lot of good valuable tools for us to use.

Another session on Wednesday afternoon is "Maintenance Best Practices". These sessions are always well attended and especially good for the newer members by discussing methods and techniques that will make them more effective and efficient. AEFAA Director Dan Dyck has generously donated his time to facilitate this session.
